

Confirmation of compliance with European Directives 2011/65/EU (RoHS II), 2015/863/EU (RoHS III) and with Articles 33 and 67 of the REACH Regulation EC/1907/2006

Dear Customer,

Deuser GmbH & Co. KG hereby confirms that the products, components and materials supplied are in compliance with the applicable legal requirements regarding environmental protection and occupational health and safety.

This declaration is issued based on information and compliance statements provided by our suppliers as well as on our current state of knowledge and available documentation.

European Directives 2011/65/EU (RoHS II) and 2015/863/EU (RoHS III)

With reference to Directives 2011/65/EU and 2015/863/EU concerning the restriction of hazardous substances in electrical and electronic equipment (EEE), including environmentally sound recycling and disposal:

Deuser GmbH & Co. KG declares, based on supplier information, that the supplied products, components and materials comply with these directives.

They do not contain the following substances in concentrations exceeding the maximum limits specified in Annex II:

Lead (Pb), Mercury (Hg), Cadmium (Cd), Hexavalent Chromium (Cr VI), Polybrominated Biphenyls (PBB), Polybrominated Diphenyl Ethers (PBDE), Bis(2-ethylhexyl) phthalate (DEHP), Butyl benzyl phthalate (BBP), Dibutyl phthalate (DBP), Diisobutyl phthalate (DIBP)

REACH Regulation EC/1907/2006

With reference to the REACH Regulation:

Deuser GmbH & Co. KG acts as a supplier of articles and does not manufacture chemical substances.

- **Article 33 (SVHC):**

According to the information provided by our suppliers, the supplied articles do not contain substances of very high concern (SVHC) in concentrations above 0.1% (w/w), based on the latest available Candidate List.

- **Article 67 and Annex XVII:**

The products, components and materials supplied comply with the restrictions on hazardous substances as defined in Annex XVII of the REACH Regulation.

Disclaimer

This declaration is based on supplier information and reflects our current knowledge and documentation status. It does not constitute a guarantee in the legal sense. Changes in regulations or upstream supply chain information may require updates to this declaration.
